PETER'S PENCE COLLECTION - 6/24 & 6/25

Each year this annual collection, in support of the works of the Holy Father, is held in parishes across the country. The proceeds from this collection fund emergency relief assistance to those throughout the world who suffer from war, oppression, and natural disasters. The theme for this year is *Anyone who has discovered Christ must lead others to him*. Through works of charity, Catholics provide a powerful witness of love and deeds to empower the weak, the defenseless, and the voiceless, and to sustain those who suffer.

THE WIND AND THE SEA

Living along the shores of Lake Superior—the “big lake,” as the locals call it—you can often hear the advice, “Respect the lake; don’t take it for granted.” People who know Lake Superior respect its power and watch out for its many moods. Sunken ships and boats crushed into kindling are testimonies to what the lake can do.

The readings of this Sunday evoke our memories of the lake, of the mighty Mississippi River, or of the ocean itself. Who but God can control these mighty waters and set limits to their advance? The lake described in today’s Gospel was a body of water subject to sudden storms and churned into dangerous waves by terrible winds.

But these mighty agents are subject to God. The sailor, the fisher all respect the water. Even more, they respect the awesome power of the Maker of wind and sea.
