Youth Protection Training

Remember: At least one adult on every Scout outing must be Youth Protection Trained!

Guests and visitors who are not associated with the Pacific Skyline Council, please use [THIS LINK](#). (Reason: The national website records your council depending on where you enter it from).

Requires Flash Capability

We recommend that you ask whether you have been entered into the computer at a visit to the scout service center after a few weeks.

"In Person" sessions are now the exception. ["In Person" Training Dates and Locations.](#)

If your unit needs to train several adults, we still could provide a separate session for your group.

Youth Protection Training is required to be taken once. It is recommended that every few years the course be repeated as a reminder.

If you have any questions, please contact Pam Swain at pswain@mdcpartners.com or the local council office at 650/341-5633.

Resources (which also can be found at the [Youth Protection Resources for Unit Programs](#) page in BSA National's new "Youth Protection Guidelines for Volunteers and Parents" website)

[Available Youth Protection Videos](#)

Award-winning videos help youth recognize dangerous situations and avoid becoming victims.

[The Three R's](#)

To protect our children, we must teach them how to protect themselves. We must teach them how to recognize, resist, and report.
